

# The College View Neighborhood Association Newsletter

Spring 2019

## A note from our President...

Spring is one of my favorite times of the year. As the weather warms and gardens begin to bud, it is nice to see people enjoying the outdoors. Living in Lincoln provides many outdoor benefits. With two parks in our neighborhood—Henry Park at South 44<sup>th</sup> and Prescott and Pansing Park near South 52<sup>nd</sup> Street and Van Dorn—there are ample opportunities to get outside and play. Besides those options, there are several bike trails and Holmes Lake a short distance away.

Another great way to get outdoors this spring and summer is to visit the many shops located in our neck of the woods. With the neighborhood about one square mile in area, there are plenty of options within a short walk of your home or business.

In a few weeks, the Sunday Farmers' Market at College View will be starting their second season. I am excited about the exposure the market has given our neighborhood and wish it a successful season.

In the last few years, there has been an increased amount of crime in our area of the city.

Because of this, we are hoping to expand the **Neighborhood Watch** network within our boundaries. The Lincoln Police Department will have representatives at the **Sunday, June 23<sup>rd</sup> Farmer's Market** with crime prevention and safety information. Please consider stopping by and learning how you can participate in the program.

As an association, we want to promote the benefits of a safe and friendly community. If you have additional suggestions for how to do this, please do not hesitate to contact me at college.view@hotmail.com.

The last thing I want to bring to your attention is the upcoming Lincoln Marathon on May 5<sup>th</sup>. With one of the largest aid stations being located in the heart of our neighborhood, it is always great to come out and support the many thousands of runners. They will start passing by at approximately 7:30 a.m. and welcome words of encouragement.

—Matt Roque
